CONSTRUCTION

We provide a wide range of construction services to our clients in the United Arab Emirates. We are confident in delivering high quality construction projects through our expertise. We have already completed and delivered many successful projects across UAE in all sectors of infrastructure and real estate. We have a portfolio comprising of projects of all sizes and levels of complexity. We feel proud to be a part of the developments of Dubai.

ELECTRO MECHANICAL

We are specialized in executing electro-mechanical works in residential and industrial areas. We have done electrical and mechanical works for commercial buildings and also in huge factories. The company deals with supply, installation, testing and commissioning of electro-mechanical solutions such as cooling systems, air-conditioning, ventilation systems, plumbing works, drainage, fire-fighting systems etc.

WOOD JOINERY AND FITTERY

ACE INTERIOR Industries has earned a reputation by manufacturing kitchens that are thoughtfully designed and technology incorporated. Further, the items are meticulously executed and installed in the given space. In any home, the flavors of daily life begin from the kitchen, seen in the popularity of food outlets, culinary magazines, and from a retail perspective - the popularity of kitchen gadgets, high style serve ware and entertaining ware.

OFFICE PROJECTS

INTERIOR DESIGN

We have more than 5 years of experience in the interior decoration sector with projects in various leading shopping malls in Dubai, Sharjah and Abu Dhabi. Our company provides a wide variety of unique concepts in interior designing which enriches your lifestyle and provide you a new way of artistic discovery. Using the right colors for designing allows tranquility and peace of mind to the users within the space. Attractive and beautiful furnishing relaxes the body and is sure to give a luxurious nature to your property. We are very grateful to be associated with some of the best furnishing companies in the world and are proud to introduce our clients to a new, world class lifestyle beyond their expectations,

FURNITURE AND CUSTOM MADE JOINERY

Our company manufactures custom made furniture for the home or business. We provide procurement, installation and maintenance for all the furniture requirements in Dubai. We have a well experienced and qualified team for installing these furniture across any type of interior construction sectors. Based on the latest and modern trends, we have a large collection of office as well as home furniture. Whatever the clients' requirement may be, our personnel design unique solutions catering to the specified needs. The products we provide are of supreme quality and range over a large variety of styles, affordable to the clients.

ACOUSTIC PANNELLING & SOUND PROOFING

Acoustic Foam Panels offer excellent sound absorption characteristics due to the compact nature of the MEDIUM DENSITY, Semi Rigid, Dimensionally Stable Panels achieving high NRC ratings in a thin panel. Our innovative Acoustic Foam Panels bring environmentally-friendly alternatives as new eco-friendly products with best performance.
